

THE CLAY CITY TIMES.

\$1.00 a Year in Advance.

We are here to help Clay City, the surrounding Country and Ourselves.

CLAY CITY, KY., THURSDAY, DECEMBER 29, 1910.

NO. 52

MARRIAGES.

On Wednesday evening December 21st, at the home of the bride's uncle, Jack Parker, in the lower end of the county Mr. Benny Barnett and Miss Mattie Dawson, both of this county were quietly married.

Mr. Lee Reeves and Miss Frances Painter, both of Lexington, came to this city Saturday and were married Saturday evening at the home of W. T. Wood, Elder J. T. Turpin officiating.

Conlee-Bowman.

Wednesday afternoon at the home of Curtis Bowman, the bride's father near this city Miss Lula Mae Bowman and Mr. Emerson Conlee were married in the presence of a number of friends, the Rev. W. P. Fryman officiating. They left on the afternoon train for Mt. Sterling. The bride is a leading school teacher of Powell county and a beautiful young lady. The groom is a promising young farmer of Montgomery county where they will their home.

Hamilton-Boone.

Miss Jeppie Lucille Boone, of Stanton, and Mr. Andley Brown Hamilton, of Pittsburgh, Pa. were married in the parlor of the Boone Hotel in Stanton and immediately left for Jacksonville, Fla. to spend their honeymoon. Dr. J. C. Hanley performed the ceremony.

The bride is proprietress of the Boone Hotel and a favorite among Stanton society people. Mr. Hamilton is a contractor of Pittsburgh, Pa., and a perfect gentleman. He erected the Stanton College building and also built the new college building at Frenchburg and is now erecting a similar building for a school at Cedar Creek, Tenn.

Monday will be County Court day at Stanton at which time the Sheriff will sell a lot of real estate for taxes. Master Commissioner R. Jackson will also conduct several land sales.

Mr. and Mrs. Harry Shattuck, of Bowling Green, Dr. and Mrs. Grace Dickson, of Ashland, and Mr. and Mrs. John P. Colliver, of Salt Lick, are spending the holidays with Judge and Mrs. W. T. Adams.

Antiseptic remedies

destroy disease germs, Dr. Bell's Anti-Pain is an antiseptic remedy for external and internal pains, relief is almost instantaneous. Sold by all dealers.

New Year's Day.

Sunday is New Year's day, the day for turning over new leaves. If you turn over but one leaf let it be to "honor thy Creator," being temperate, just and honest in every act of thy life, so much as lieth in you. And don't get discouraged when you may fail but "try again."

Not Good

for everything. Sutherland's Eagle Eye Salve is good for nothing but the eyes. If you use it and are not satisfied come back and get your 25c. You be the judge.

A contemporary laments that Dr. Cook has lost his practice. We are glad he has lost his practice of fibbing about the North Pole.

Ladies and Misses don't fail to see our new Fall and Winter line of "Queen Quality" and "Boston Favorite" shoes, we have them in Swede, Patent leather, Gun metal, Dull kid and plain kid—in both button and lace.

Stanton.

Helping to Keep Good Roads.

The North Carolina Good Roads Association is distributing throughout the State cards which reads as follows:

"How to Keep This Road for Years:

"This road was constructed for your use.

"Don't drive in one track. Avoid making ruts.

"If all use one place all the wear will be in one place and make a rut.

"If you use a little care and do not drive exactly where the last wagon did the wear will be distributed, which will keep the surface smooth and the road will remain good for years; otherwise it will soon be rutted and the smooth surface gone."

It is believed that if those who use the road will give a little attention to where they drive so as not to drive directly in the same track as the team ahead of them has done, it will prevent the roads from becoming filled with ruts and will have a general tendency to pack the greater portion of the road.

Time We Were Waking Up.

About thirty-five of the States have granted financial aid in road building and none of them have done it on such a small scale as is asked in Kentucky. These States are the most progressive in the union and show from 20 to 70 per cent. increase in their population in the last ten years, while Kentucky only shows a little more than 6 per cent. it is time that Kentucky was waking up.—Elizabethtown News.

Death of John Carr.

John Carr died at his home in this city Tuesday at one o'clock of inflammatory rheumatism, aged 29 years. Burial Wednesday in this city in Masonic honors. Deceased is survived by wife and one child, mother and father, three brothers, Sam Carr, and M. F. Carr of this city, Claude Carr, of Miami, Texas, and one sister, Mrs. L. G. Christopher, also of Miami, Texas.

C. L. Russell for some time has been slightly flighty in his talk and remarks and this trouble grew until a few days ago when he became a great deal worse and Tuesday had to be taken to the asylum at Lexington. His mother, Mrs. Jennie Russell has the sympathy of many friends.

SPOUT SPRING.

John W. Mize sold part of his crop of tobacco to Winchester parties at 8½ cents.

J. T. Wright sold his crop of tobacco to Winchester dealers and delivered it there last week.

H. F. Christopher and daughter, Miss Lella, visited friends in Winchester a few days the past week.

Vaughn's Mill.

We have had a merry Xmas and old Santa has not forgotten us. He has made us glad indeed.

Mr. Mack Gravett and Miss Norah Lyle were married Saturday evening at the home of the

bride. Mr. Walter Thacker and Miss Lillie Boone were the waiters.

Many of our friends from neighboring counties have spent the holidays here. We have assured them a good time and feel that they have not been disappointed.

Bro. Lowry's appointment at the Christian church has been changed from the fourth Sunday to the first. Let us remember this by being present the first Sunday.

The young people were cordially invited to the home of Mr. A. P. Bush's Sunday. A large crowd was present a fine dinner served and Xmas day was much enjoyed.

Miss Ann Burton, of Upper Hardwick's Creek, died at her home Sunday night. She had been in bad health for years, and her death was hastened by a severe cold and la grippe.

A program has been arranged for the young people which will last till New Year, at Mr. Bush's Sunday, Mr. Lyle's Monday, Mr. Gravett's Tuesday, Mr. Dunaway's Wednesday etc.

You Can Always Get

The best cough medicine if you ask for Dr. Bell's Pine-Tar-Honey and look for the bell on the bottle. Guaranteed to give satisfaction. Sold everywhere.

Dr. C. B. Dixon will be here from December 26 to January 2 to practice his profession. Any one in need of dental work should see him.

Dr. Bell's Pine-Tar-Honey For Coughs and Colds.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable.

Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.

CLAY CITY, - KENTUCKY.

The Tenderfoot Farmer

It was one of these experimental farmers, who put green spectacles on his cow and fed her shavings. His theory was that it didn't matter what the cow ate so long as she was fed. The questions of digestion and nourishment had not entered into his calculations.

It's only a "tenderfoot" farmer that would try such an experiment with a cow. But many a farmer feeds himself regardless of digestion and nutrition. He might almost as well eat shavings for all the good he gets out of his food. The result is that the stomach grows "weak" the action of the organs of digestion and nutrition are impaired and the man suffers the miseries of dyspepsia and the agonies of nervousness.

To strengthen the stomach, restore the activity of the organs of digestion and nutrition and brace up the nerves, use Dr. Pierce's Golden Medical Discovery. It is an unerring remedy, and has the confidence of physicians as well as the praise of thousands healed by its use.

In the strictest sense "Golden Medical Discovery" is a temperance medicine. It contains neither intoxicants nor narcotics, and is as free from alcohol as from opium, cocaine and other dangerous drugs. All ingredients printed on its outside wrapper.

Don't let a dealer delude you for his own profit. There is no medicine for stomach, liver and blood "just as good" as "Golden Medical Discovery."
